

# FAO: Hotel events team

## Chrono Chaos

A group with a booking at your hotel would like to play  
**Chrono Chaos.**

### What it is

An Escape Room-style puzzle activity for **groups of 50 or more players.**

It's played in a function room at the hotel.

### What's needed

A room or space in the hotel. We prepare it, set it up and clear it all away — everything on the day of the event.

### Next step

Pass this sheet on to your hotel. Have them message us and we'll set up the event.

**ViaSapiens** — the team behind Paradox Benidorm Escape Room. Getting large groups playing since 2020.
